PROVISIONS

Memo 1 – Sum Insured

It shall be a requirement of this Policy that the sum insured is equal to the cost of replacement of the insured machinery items by new items of the same kind and capacity, which means their cost of replacement including, e.g. freight, customs duties if any, and cost of erection. If the sum insured is less than the amount required to be insured, the Insurers shall pay only in such proportion as the sum insured bears to the amount required to be insured. Every item if more than one shall be subject to this condition separately.

Memo 2 – Basis of Loss Settlement

In the event of any loss or damage the basis of any settlement under this Policy shall be as follows:

- a) In cases where damage to an insured item can be repaired – the Insurers shall pay expenses necessarily incurred to restore the damaged item to its former state of serviceability plus the cost of dismantling and re-erection incurred for the purpose of effecting the repairs as well as ordinary freight to and from a repair-shop, customs duties and dues, if any, to the extent such expenses have been included in the sum insured. If the repairs are executed at a workshop owned by the Insured, the Insurers shall pay the cost of materials and wages incurred for the purpose of the repairs plus a reasonable percentage to cover overhead charges.

No deduction shall be made for depreciation in respect of parts replaced, but the value of any

salvage shall be taken into account. If the cost of repairs as detailed herein-above equals or exceeds the actual value of the insured item immediately before the occurrence of the damage, the item shall be regarded as destroyed and settlement shall be made on the basis provided for in (b) below.

- b) In cases where an insured item is destroyed – the Insurers shall pay the actual value of the item immediately before the occurrence of the loss, including charges for ordinary freight, cost of erection, customs duties, if any, provided such expenses have been included in the sum insured, such actual value to be calculated by deducting proper depreciation from the replacement value of the item. The value of any salvage shall be taken into account.

Any extra charges incurred for overtime, night work, work on public holidays and express freight shall be covered by this Policy only if especially agreed in writing.

The cost of any alterations, additions, improvements or overhauls shall not be recoverable under this Policy.

The cost of any provisional repairs shall be borne by the Insurers if such repairs constitute part of the final repairs and do not increase the total cost of repair.

The amount payable by the Insurers according to the above-mentioned provisions shall be reduced by the deductible stated in the Schedule.

The Insurers shall make payments only after being satisfied by production of the necessary bills and documents that the repairs have been effected or replacement has taken place, as the case may be.

This Policy may equally be terminated at the option of the Insurers by seven days' notice to that effect being given to the Insured, in which case the Insurers will be liable to repay on demand a rateable proportion of the premium for the unexpired term from the date of cancellation less any reasonable inspection charges the Insurers may have incurred.
10. If at the time any claim arises under this Policy there is any other insurance covering the same loss or damage, the Insurers shall not be liable to pay or contribute more than their rateable proportion of any claim for such loss or damage.
